

2026 ADISE Program

Advanced Digital Internships for Scientists & Engineers is now accepting applications for digital innovation internships at Dow!

Apply by November 20, 2025

Are you interested in industrial research experience?

Are you a graduate student in a STEM field with experience in computer science, analytics, machine learning, or other related dimensions of data science? If so, our internship program could be a great opportunity for you to apply your skills to real industrial problems! ADISE interns will use digital science to drive innovation across multiple functions while engaging in exciting projects and building a network of industry connections.

ADISE Internships are available in:

- Research & Development
- Information Systems
- Commercial
- Toxicology & Environmental Research & Consulting
- Supply Chain
- Operations
